Hello there!

In case you have not yet heard, VPS airport is in the process of getting a USO Freedom Lounge! The 2009-2010 Leadership Okaloosa class has committed to helping secure all the donations/sponsorships to furnish the new USO lounge.

I am a part of the committee designated to furnish the Office Suite and I need your help securing the following items:

Copier/Fax Machine
Wireless Printer
Black Leather Office Chair (X3)
Laptop (X4)

All items must be brand new. We want to offer our troops the best of the best when they are here, and help create a "home" like setting for them on their journey.

Attached is the sponsorship package with details of what your company (or you personally) will receive in exchange for a donation/sponsorship. You are free to purchase one of the items listed above, donate the funds to purchase the items above or mail a check to PO Box listed in the attachment. If you choose to mail a check please note for the "Office Suite of the USO Room" so that your funds are directed properly. Please contact me at 863-8204 or at amahoney@white-wilson.com to find out how you can help.

Thanks!!
