From the Destin Log:

"The Destin-based Emerald Coast Wildlife Refuge needs your help in preparing for likely oil spill impacts to area marine life.

On the site's Facebook page, the refuge's Amanda Wilkerson says "in preparation for the oil slick, we need the following: Plastic storage bins with lids (18-24 gallon), baby blankets, towels, heating pads without auto shut-off (older models), heat lamps, plastic stock tanks (can be bought at Tractor Supply in Crestview), 100-gallon or larger portable swimming pool (non-inflatable and not shallow baby pools) and cash donations for medical supplies."

Drop items off at 406 Mountain Dr., Destin FL 32541 between 9 a.m.-3 p.m."

Members need to complete the Best Practice Scoreboard and Member Interest Survey before the end of June.

Attention to all chapter members:

Please download surveys, fill out and bring with you to May or June's meeting your completed Best Practices Scoreboard/Member Interest Survey. These surveys will help the 2010-11 board plan their year. Please email me at tammy.mcdaniel@gmail.com if you have already taken both surveys on WIN so I can enter you into the drawing. You will be entered into a drawing for a FREE Dinner Voucher for you or a guest.

Thanks
Tammy
